

Title: Alphabet Sensory Play

Age Group: **Infant / Toddler**

Submitted by: **Juvy (Lansing)**

Type of Activity: **Sensory/Letter Recognition**

Materials:

- Bin / Bowl
- Letters of the Alphabet
- Rice

How to Do it:

- In a shallow bin
- Pour about 4-5 cups rice
- Add the letters into the bin of rice
- Let your child explore, collect, and recognize the letters from the bin

Root Skill / Extension:

Physical- 5.3: Senses: Infants and Toddlers learn a lot through their senses. In this activity, children explore the texture of the rice and the letters.

Communication, language and literacy – 3.11: Letter Recognition: Exposure to the letters of the alphabet

Extending the learning: Add numbers, funnels, measuring cups and clear bottles.
