

Title: The Moving Caterpillar

Age Group: Toddler / Preschool

Submitted by: **Marlene S.**

Type of Activity: Creative / Fine Motor

Materials:

- Scissors
- Paper
- Straws
- Markers/crayons for decorating

How to Do it:

- Cut strips of paper 1.25 inches
- Fold paper in half, continue to fold until it makes a small rectangle
- Cut the edges in a round shape
- Decorate to your liking
- Blow into the straw and move your caterpillar!

Root Skill / Extension:

This is also a great way to encourage co-operation between children, and help them practice taking turns

Skill set: Fine Motor- to foster the use of using tools.
