

Donlands Station Easier Access Project Bus loop closure

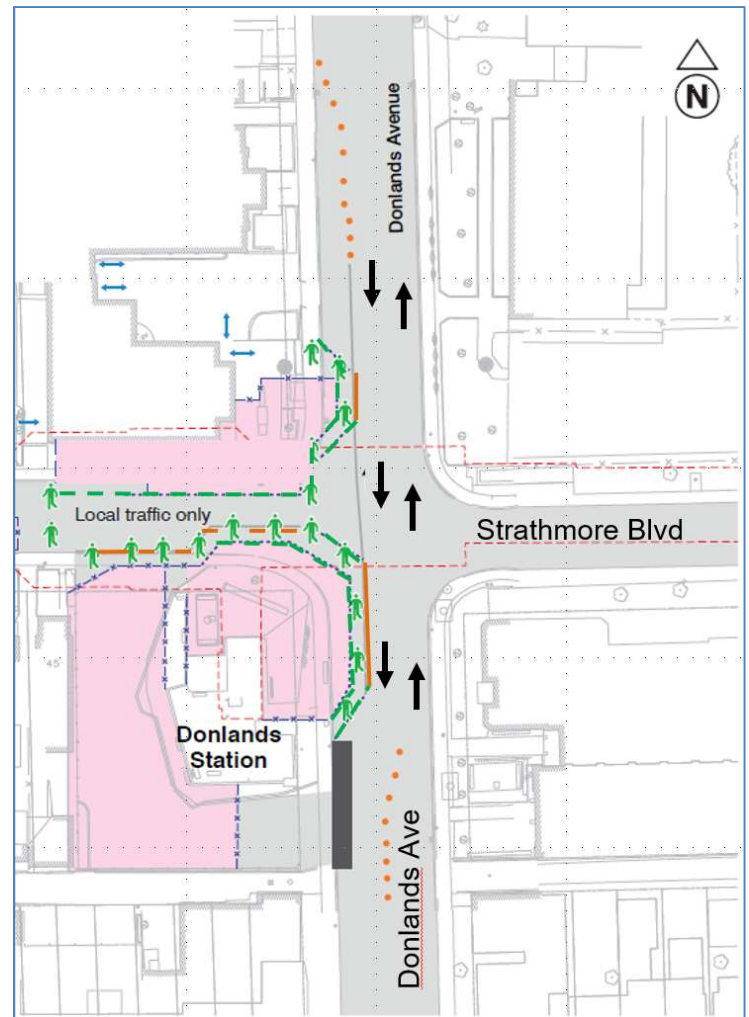

Timeline: Starting Monday, May 10, 2021

*Content/timeline accurate at the time of printing

As part of the TTC's commitment to provide accessible transit, construction is underway at Donlands Station to install new elevators. The Donlands Station bus loop will be closed and buses will not enter the station for approximately one year.

What to Expect

- The work zones at the northwest and southwest corners of Strathmore Boulevard and Donlands Avenue will be expanded for the elevator construction.
- One lane of traffic in each direction and sidewalk access on Donlands Avenue will be maintained.
- The start of heavier construction, including excavation and caisson work will commence after the work zone is set up.
- Construction trucks, equipment and site staff will be present in the area including excavators and a caisson drill rig.
- Work hours will typically be from 7 a.m. to 7 p.m. Some loud work activities will extend to 9 p.m. to accommodate the Metamorphosis Daycare activities.

Construction Update

Bus service changes during the full Donlands Station bus loop closure:

- The bus loop will be closing on Monday, May 10, to support construction of elevators. Temporary bus stops for the 83 Jones and 56 Leaside bus will be established on Donlands Avenue until summer 2022.
- Passengers can board 83 Jones and 56 Leaside buses on Donlands Avenue, just south of the station.
- The passenger drop-off for 56 Leaside will be on Donlands Avenue, just north of Strathmore.
- Customer service representatives will be assisting customers the first week of the closure
- Customers will need to provide Proof-of-Payment.

Bus service route diversions and temporary stops for the Donlands Station bus loop closure.

Thank you for your patience as we work to make Donlands Station accessible.
