

Elevator Construction begins at Donlands Avenue and Strathmore Boulevard

Donlands Station Project Timeline: June 7 2021 – Q1 2023

*Content / timeline accurate at time of printing

What we are doing and why

Beginning on Monday, June 7, 2021, crews on behalf of the TTC will begin work on the Easier Access project for Donlands Station, for the future westbound elevator at the north-west corner of Donlands Ave and Strathmore Blvd immediately in front of 40 Donlands Ave. There is a child care centre at this location and extra care is being taken to do the noisy excavation and caisson work from 3 p.m. to 9 p.m. daily.

Work Hours and Noise

The noisier excavation and caisson work will take place from 3 p.m. to 9 p.m. from Monday to Friday. There will be regular construction activity in this area from 7 a.m. to 5 p.m.

Traffic and pedestrian restrictions

- Please follow designated pedestrian walkways and signs on Donlands Ave and Strathmore Blvd.
- There will be on-going southbound right lane restrictions on Donlands Ave south of Fielding Ave to Donlands Station.

TTC service

- The Donlands Station Bus Loop is also closed for elevator construction work until Q3 2022.
- A temporary bus pad and stop has been added in front of Donlands Station for pick-up of customers for the 56 Leaside service. The drop-off location for the 56 Leaside bus service is just north of Strathmore Blvd on the west side of Donlands Avenue.

Thank you for your patience as we undertake this important work to improve accessibility in Toronto.

For further information, please contact:

Christina Joseph, Senior Community Liaison,
416-994-0923, christina.joseph@ttc.ca

Niki Angelis, Community Liaison,
416-894-0869, niki.angelis@ttc.ca

Thank you for your patience as we work to improve transit safety in Toronto.
