MEMORANDUM

TO: Parents/Families at the Metamorphosis Child Care Centre
FROM: Spyros Volonakis, Executive Director
CC: Sally Pacheco, Centre Supervisor
DATE: June 19th, 2021
RE: Update Regarding the Metamorphosis Child Care Centre

Dear Parents/Families,

We are pleased to report that we will be resuming child care at the Wilkinson Junior Public School, 53 Donlands Avenue, on **Tuesday, July 20th, 2021**. The Centre will operate from **7:30 am to 5:30 pm**. We obtained all the necessary approvals late on Friday and today we are moving our furniture and equipment into the new temporary location. We have attached, with this correspondence, the amended License from the Ministry of Education for your information.

Tomorrow morning (Tuesday), you are asked to come to the main entrance of the school facing Donlands Avenue. There, you will be met by the staff of the Metamorphosis Child Care Centre, who will escort your child[ren] to their respective classrooms. The pre-school children are required by the Toronto District School Board to wear masks when walking outside the classroom, for example in the school hallways. Masks will not be required while the children are in the classrooms. We will be providing the masks.

At your pick-up time, please call the Centre's cell number, **647-588-1147**, so that your child[ren] is/are brought to the main entrance.

Regarding the situation at our Centre's premises, 40 Donlands Avenue, we advise that engineers from TTC, Maystar (project contractor) and a third party, continue their investigations and we will keep you updated on these developments as we receive more information. The preliminary review concerning the daily vibration data indicates that the vibration activity was within the permitted parameters. This is encouraging information.

Providing exceptional early learning and care services to more than 800 children and families across Toronto.

We would like to thank you for your continued patience and understanding. Over the past week, we have worked diligently to secure the approvals that were required to resume operations at the temporary location. We know this has been disruptive to everyone, and we are doing our absolute best to secure everyone's safety.

Finally, as we indicated in our previous communications, Network Child Care Services will not be charging child care fees for the days that we were not able to provide child care (Monday July 12th to Monday July 19th inclusive).

Network Child Care Services will be withdrawing the child care fees for child care services provided from July 1st-9th, and July 20th-30th on July 22nd, 2021.

Parents may contact the Child Care Centre's Supervisor, Sally Pacheco, at 647-588-1147 or meta@networkchildcare.com.

Parents may also contact the TTC's Senior Community Liaison Christina Joseph with any questions or concerns at Christina.joseph@ttc.ca.

Should you require additional information please contact me at spyros@networkchildcare.com.

Sincerely,

A handwritten signature in blue ink, appearing to read "Spyros Volonakis".
