

Elevator Construction at Donlands Station Caisson work resumes

Timeline: Starting August 24, 2021

*Content / timeline accurate at time of printing

What we are doing and why

Beginning on Tuesday, August 24, 2021, crews on behalf of the TTC will resume work on the Easier Access project for Donlands Station, for the future westbound elevator at the north-west corner of Donlands Ave and Strathmore Blvd immediately in front of 40 Donlands Ave. The support of excavation work is scheduled for 7-10 days, pending weather.

Work Hours

- Work activities will take place from 7 a.m. to 7 p.m. daily, with extended hours if required. Some work on Saturdays may be required to expedite.
- The work schedule for the other elevator site on the south-west corner will be updated after this work is completed.

Traffic and pedestrian restrictions

- Please follow designated pedestrian walkways and signs on Donlands Ave and Strathmore Blvd.
- There will be on-going southbound right lane restrictions on Donlands Ave south of Fielding Ave to Donlands Station.

TTC service

- The Donlands Station Bus Loop is closed for elevator construction work until Q3 2022.
- A temporary bus pad and stop has been added in front of Donlands Station for pick-up of customers for the 56 Leaside service.
- The drop-off location for the 56 Leaside bus service is just north of Strathmore Blvd on the west side of Donlands Avenue.
