

Elevator Construction at Donlands Station Support of Excavation

Timeline: August 31 – October 29, 2021

*Content / timeline accurate at time of printing

What we are doing and why

Crews on behalf of the TTC continue work on the future eastbound elevator for the Easier Access project for Donlands Station. The support of excavation on the southwest corner is expected to be finished at the end of October.

Support of excavation work has already been completed for the future westbound elevator at the north-west corner of Donlands Ave and Strathmore Blvd.

Work Hours

- Work activities will take place between 7 a.m. to 7 p.m. daily, with extended hours if required.
 - Please note that work is required **this Saturday, September 25**. The work will take place between 7 a.m. and 5 p.m.

Traffic and pedestrian restrictions

- Please follow designated pedestrian walkways and signs on Donlands Ave and Strathmore Blvd.
- There will be on-going southbound right lane restrictions on Donlands Ave south of Fielding Ave to Donlands Station.

TTC service

- The Donlands Station Bus Loop is closed for elevator construction work until Q3 2022.
- A temporary bus pad and stop has been added in front of Donlands Station for pick-up of customers for the 56 Leaside service.
- The drop-off location for the 56 Leaside bus service is just north of Strathmore Blvd on the west side of Donlands Avenue.
