

Message from the Mayor

It is my pleasure to extend greetings and a warm welcome to everyone participating in the virtual Annual General Meeting hosted by Network Child Care Services (Network).

I am pleased you have found a way to continue hosting your event while carefully following public health and safety guidelines.

Congratulations on your 30th anniversary. Network has a long and proud history of providing community-based programs and services centred on child care and early childhood learning for more than 1,600 diverse children and their families. Since the onset of the COVID-19 pandemic, children and youth have been affected particularly hard. It is always encouraging to see organizations like yours working hard to be able to provide the support to children and youth in need.

On behalf of Toronto City Council, please accept my best wishes for an informative and enjoyable event, and continued success.

Yours truly,

John Tory
Mayor of Toronto
